

# **IF YOU FEEL DIFFERENT YOU DRIVE DIFFERENT**

For many people, college is the first taste of adulthood, and getting behind the wheel while impaired really isn't very grownup behavior. Get a sober ride home – always. If you feel different, you drive different. #ImpairedDriving

Getting behind the wheel while high, isn't just wrong – it's dead wrong. Call a friend, a ride service, a taxi, or take public transportation home. If you feel different, you drive different. #ImpairedDriving

You're just not yourself when you use drugs and/or drink alcohol. Make a good choice, and decide before you go out who the designated driver is going to be. If you feel different, you drive different. #ImpairedDriving

Driving while high leads to dead ends – every time. If you feel different, you drive different. #ImpairedDriving
